Dear CoreMed Community,

I find myself reflecting on the incredible work you all do day in and day out.

Your journey requires not only skill, but a level of personal commitment and physical, mental, and emotional strength above and beyond what's required by most professions. And your continued success in spite of the many challenges is testament to your resilience and dedication to serving others.

From this place of deep appreciation, I am especially pleased to welcome you to our Club CoreMed getaway at the stunning El Dorado Royale in Riviera Maya, Mexico.

This experience isn't just a vacation—it's CoreMed's heartfelt thank-you note.

Since words cannot possibly express what you mean to us, to your patients, and to the healthcare organizations who entrust you daily to deliver safe and high-quality care, we created this moment for you, the caretaker.

My hope is that this becomes an annual tradition and a time you can count on that's just for you—to rest, recharge, and celebrate with your friends from CoreMed.

Your contribution and your accomplishments matter. Your dedication to your patients, your career, and to CoreMed are deeply valued. We want you to know just how much we appreciate you being a member of our community.

Please use the pages that follow as your comprehensive guide to Club CoreMed—our unique reward and referral program that makes every hour and every shift you spend with us count towards something bigger than a paycheck.

Planning Your Trip

Planning Your Trip

Even the most fabulous trips need a bit of planning. It's all about making sure you have a smooth, stress-free journey and get to enjoy every bit of luxury waiting for you. So, let's dive into the details and get you all set for an amazing getaway.

Passports

The importance of early planning cannot be overstated, especially when it comes to international travel. For those who don't yet have a passport, obtaining one generally takes 12-18 weeks—though expedited services are available at an additional cost. Below are the key points to bear in mind:

▼ **Validity**

Make sure you and your guest's passports will be valid for at least six months beyond your planned return date. REAL ID and passport cards will not be accepted.

▼ **Double-Check the Expiration Date**

If you already have a passport, take a look to make sure it's not expiring any time soon.

▼ **How to Apply or Renew**

You can apply or renew both in-person and online. For more information, visit www.travel.state.gov.

Please note: Make sure you apply on the official government website **only** to avoid scam activity.

▼ **Submission to Club CoreMed**

Once you and your guest's passports are secured, email a copy to megan.dannat@coremedicalgroup.com.

▼ **Final Check**

Carefully review your passport to ensure all

By diligently preparing you and your guest's passports early, you ensure a seamless travel experience.

Travel Forms

These details are designed to streamline your Club CoreMed experience, leaving no room for last-minute rushes or unnecessary hiccups. From guest selections to passport details, the forms you'll receive cover it all. Carefully read the following sections and ensure to comply with the stated deadlines to make your trip as enjoyable as possible.

Important Dates

- ▼ All required travel forms will be sent out in November. These are crucial to your attendance at this event.
- ▼ The deadline for completing these forms is **November 30th, 2023**. We are not able to extend this deadline.
- ▼ Final guest information is also due **November 30th, 2023**.
- ▼ If you have any guest fees, those are due by **December 9th, 2023**.

Completing these forms by the **November 30** deadline is not just a box to check. It's your gateway to a seamless Club CoreMed experience. We use this critical information to book your flights, guarantee your stay, and make sure you receive any gifts, treats, or extras we might throw into the mix.

Form Information You'll Need to Gather

- ▼ **Guest Information:** Please have your guest selected by **November 30, 2023** and have their passport information handy.
- ▼ **Airport Information:** Please clearly and accurately input the airport codes for both your departure from the U.S. and your return home.
- ▼ **Passport Information:** if you don't yet have your or your guest's passport, you may write 'pending' on the form. However, securing your passport is a mandatory step for international travel, so please get this to our team as soon as possible.

Guest Fees

Bringing a guest is a wonderful way to share the Club CoreMed experience. However, certain fees and deadlines may apply.

Key Details

- ▼ **What's Included:** Round-trip airfare, transfers to and from the airport, your hotel room as well as all of your food and drink.

Booking Flights

Once the paperwork is settled, it's time to think about the skies—specifically, your flight to gorgeous Riviera Maya. CoreMedical Group has collaborated with Corporate Traveler as the designated travel agency to manage your flight bookings. Here's how the process works:

- ▼ **Contact From Corporate Traveler:** You will receive an email from a travel agent at Corporate Traveler (from an email address ending in @corporatetraveler.us) who will assist you in booking your flights.
- ▼ **Customizing Your Journey:** Your travel agent will work with you to find flight options that align with your preferences. This is your opportunity to specify any layovers, seat preferences, or other particulars.
- ▼ **Approval and Confirmation:** Once you're satisfied with the proposed flight details, you'll need to approve them via email.
- ▼ **E-Tickets Only:** Remember, paper tickets will not be issued. You will receive an e-ticket that should be safely stored and accessible.
- ▼ **Passport Compliance:** Make sure your passport is in hand at the time of travel and double-check that the name on your e-ticket exactly matches the name on your passport.

Booking your flights through Corporate Traveler ensures a streamlined process that's personalized to your needs and compliant with CoreMed's travel requirements.

- ▼ **The Journey:** Expect a half-hour ride from the airport to the resort. Discova takes care of handling your luggage and providing a safe and clean vehicle for the trip.

Check-In

- ▼ **Location:** Check-in is located downstairs from the main lobby, where Club CoreMed has a dedicated welcome area.
- ▼ **Required Forms:** You'll need to complete two quick forms: one for hotel check-in and another for CoreMed.
